

Kit SDS Cover Sheet

Product Name:

Item No(s):

This is a test kit that is comprised of several individual components, listed below, each of which may have its own Safety Data Sheet (SDS). Articles, and otherwise immobilized and inaccessible chemicals, do not have a Safety Data Sheet in this packet.

Kit Components:

For product information, please contact your Neogen Corporation Representative. For further information regarding this SDS, please contact <u>SDS@neogen.com</u>.

# SAFETY DATA SHEET

according to HSNO Act 1996, as amended

### Swab Wetting Solution

Page 1/10

### **Revision** 4 **Revision date** 2022-11-14

| SECTION 1: Identification of the substance/mixture and of the company/undertaking |  |  |  |
|---|--|--|--|
| 1.1. Product identifier   |  |  |  |
| Product name  | Swab Wetting Solution  |  |  |
| Product code  | 24368  |  |  |
| 1.2. Relevant identified uses of t  | he substance or mixture and uses advised against   |  |  |
| Product Use   | [SU3] Industrial uses: Uses of substances as such or in preparations at industrial sites; [PC21]<br>Laboratory chemicals;  |  |  |
| Description   | Intended for laboratory use only. Do not use components from one kit with any other kit.   |  |  |
| 1.3. Details of the supplier of the   | e safety data sheet  |  |  |
| Company   | Neogen Corporation   |  |  |
| Address   | 620 Lesher Place   |  |  |
|   | Lansing MI 48912   |  |  |
| NA/_E   | USA  |  |  |
| Web   | www.neogen.com   |  |  |
| Telephone   | 517-372-9200/800-234-5333  |  |  |
| Email   | SDS@neogen.com   |  |  |
| 1.4. Emergency telephone numb   | Der  |  |  |
|   | 24 hours:<br>Medical: 1-800-498-5743 (U.S. and Canada) or 1-651-523-0318 (international)<br>Spill/CHEMTREC: 1-800-424-9300 (U.S. and Canada) or 1-703-527-3887 (international) |  |  |
| SECTION 2: Hazards identification   |  |  |  |
| 2.1. Classification of the substar  | nce or mixture   |  |  |
| 2.1.2. Classification - GHS   | No Significant Hazard.   |  |  |
| 2.2. Label elements   |  |  |  |
| Hazard Statement  | No Significant Hazard  |  |  |
| 2.3. Other hazards  |  |  |  |
| Other hazards   | Contains oxidising substance(s) at <0.1%. Contains material(s) which may be harmful to aquatic organisms, including fish and invertebrates.                                    |  |  |
| SECTION 3: Composition/int  | formation on ingredients   |  |  |
| 3.2. Mixtures   |  |  |  |

| 4 |

Revision date 2022-11-14

| 3.2. Mixtures                    |                  |                 |               |                              |                 |   |
|----------------------------------|------------------|-----------------|---------------|------------------------------|-----------------|---|
| EC 1272/2008                     |                  |                 |               |                              |                 |   |
| Chemical Name                    | Index No.        | CAS No.         | EC No.        | REACH Registration<br>Number | Conc.<br>(%w/w) | Classification  |
| Magnesium nitrate                |                  | 10377-60-3      | 233-826-7     | Number                       |                 | 6 Ox. Sol. 2: H272; Skin Irrit. 2:<br>H315; Eye Irrit. 2: H319;<br>STOT SE 3: H335;             |
| Description                      |                  |                 |               |                              |                 |   |
|                                  | Conce            | ntrations liste | d are not pr  | roduct specifications.       |                 |   |
| Further information              |                  |                 |               |                              |                 |   |
|                                  | Full tex         | kt of Hazard S  | Statements    | listed in this Section       | is provide      | ed in Section 16.   |
| SECTION 4: First aid mea         | sures            |                 |               |                              |                 |   |
| 4.1. Description of first aid me | easures          |                 |               |                              |                 |   |
| Inhalation                       |                  |                 |               | -                            |                 | give oxygen. If breathing stops,<br>n or symptoms persist.                                      |
| Eye contact                      | Rinse            |                 | vith plenty c | of water. Contact lens       |                 | d be removed. Seek medical attention  |
| Skin contact                     | Remov            |                 |               |                              | d water. S      | Seek medical attention if irritation or   |
| Ingestion                        | Do not<br>thorou | induce vomit    | -             |                              |                 | ntrol center or doctor. Rinse mouth person. Get medical advice/attention                        |
| 4.2. Most important symptom      | s and effect     | ts, both acute  | and delaye    | ed                           |                 |   |
| Inhalation                       | May ca           | ause irritation | to respirato  | ory system.                  |                 |   |
| Eye contact                      | May ca           | ause irritation | to eyes.      |                              |                 |   |
| Skin contact                     |                  | ause irritation |               |                              |                 |   |
| Ingestion                        | I V              | on may cause    |               | Ū                            |                 |   |
| 4.3. Indication of any immedia   |                  |                 | •             |                              |                 |   |
|                                  | there a          | are burns or s  | ymptoms of    |                              | dical atte      | n immediately. Transfer to hospital if<br>ention if irritation or symptoms persist.<br>at hand. |
| SECTION 5: Firefighting n        | neasures         |                 |               |                              |                 |   |
| 5.1. Extinguishing media         |                  |                 |               |                              |                 |   |
|                                  | Use ex           | tinguishing m   | nedia appro   | priate to the surround       | ding fire o     | conditions.   |
| 5.2. Special hazards arising f   | rom the sub      | stance or mix   | cture         |                              |                 |   |
|                                  | enviror          | -               |               |                              |                 | ce(s) which are hazardous to the o ground water, water course or                                |
| 5.3. Advice for firefighters     |                  |                 |               |                              |                 |   |
|                                  | Do not           | breathe vapo    | our or spray  | mist. Wear suitable          | respirato       | ry equipment when necessary.  |
| SECTION 6: Accidental re         | elease mea       | asures          |               |                              |                 |   |
| 6.1. Personal precautions, pro   | otective equ     | ipment and e    | mergency      | procedures                   |                 |   |
|                                  | Use as           | appropriate:    | Protective    | equipment, Protectiv         | e clothing      | g. Ensure adequate ventilation of the   |

Revision 4

Revision date 2022-11-14

| 6.1. Personal precautions, prote        | ctive equipment and emergency procedures  |
|---|---|
|   | working area. Avoid prolonged or repeated exposure.   |
| 6.2. Environmental precautions          |   |
|   | Prevent further spillage if safe. Clean spillage area thoroughly with plenty of water. Do not flush into surface water. Do not let product contaminate subsoil.   |
| 6.3. Methods and material for co        | ntainment and cleaning up   |
|   | Absorb spillage to prevent material damage. Clean spillage area thoroughly with plenty of water.<br>Do not contaminate water by cleaning of equipment or disposal of wastes.  |
| 6.4. Reference to other sections        |   |
|   | See Section(s) 2, 8, and 13 for further information.  |
| SECTION 7: Handling and st              | torage  |
| 7.1. Precautions for safe handlin       |   |
|   | Adopt best Manual Handling considerations when handling, carrying and dispensing. Avoid contact with eyes. Do not eat, drink or smoke in areas where this product is used or stored. Ensure adequate ventilation of the working area. Do not contaminate water by cleaning of equipment or disposal of wastes. Use as appropriate: Protective clothing. Read the entire label and follow all use directions, restrictions, and precautions. |
| 7.2. Conditions for safe storage,       | including any incompatibilities   |
|   | Store at temperatures between 2 °C and 8 °C.<br>Store in correctly labelled containers. Keep container tightly closed. Do not contaminate water,<br>food, or feed by storage or disposal. Follow label instructions. Do NOT allow to freeze.  |
| 7.3. Specific end use(s)                |   |
|   | See Section(s) 1.2 for further information.   |
| Further information                     |   |
|   | Refer to product label and/or package insert for additional information. Follow label instructions.   |
| SECTION 8: Exposure control             | ols/personal protection   |
| 8.1. Control parameters                 |   |
|   | No occupational exposure limits known.  |
| 8.2. Exposure controls                  |   |
|   |   |
| 8.2.1. Appropriate engineering controls | Ensure adequate ventilation of the working area.  |
| 8.2.2. Individual protection measures   | Use as appropriate: Protective equipment.   |
| Eye / face protection                   | Use as appropriate: Suitable eye protection.  |
| Skin protection -<br>Handprotection     | Use as appropriate: Chemical-resistant gloves made of any waterproof material.  |
| Skin protection - Other                 | Use as appropriate: Protective clothing.  |

**Respiratory protection** In case of insufficient ventilation, wear suitable respiratory equipment.

**Revision** 4 **Revision date** 2022-11-14

| 8.2. Exposure controls            |   |
|-----------------------------------|---|
| Occupational exposure<br>controls | Exposure above the recommended occupational exposure limit (OEL) may cause adverse health effects. Protect clothing from contact with the product. Provide chemical shower. Provide eye wash station. |

**Further information** 

Remove and wash contaminated clothing before reuse.

### SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

| Appearance                | Liquid            |
|---------------------------|-------------------|
| Colour                    |                   |
|                           | Odourless/Slight  |
|                           | No data available |
|                           | No data available |
| •                         | No data available |
|                           | No data available |
| Initial boiling point     |                   |
|                           | No data available |
| •                         | No data available |
| Flammability (solid, gas) |                   |
|                           | No data available |
|                           | No data available |
|                           | No data available |
| Partition coefficient     |                   |
| Autoignition temperature  |                   |
|                           | No data available |
| Explosive properties      |                   |
| Oxidising properties      |                   |
|                           | Soluble in water  |
| Solubility                |                   |

### 9.2. Other information

| Conductivity          | No data available |
|-----------------------|-------------------|
| Surface tension       | No data available |
| Gas group             | Not applicable.   |
| Benzene Content       | No data available |
| Lead content          | No data available |
| VOC (Volatile organic | No data available |
| compounds)            |                   |

### SECTION 10: Stability and reactivity

#### 10.1. Reactivity

Stable under normal conditions.

### 10.2. Chemical stability

Stable under normal conditions.

### 10.3. Possibility of hazardous reactions

Under the specified conditions, hazardous reactions that lead to excessive temperatures or pressure are not expected.

Revision 4

Revision date 2022-11-14

| 10.4. Conditions to avoid          |   |
|------------------------------------|---|
|                                    | Keep away from extreme temperatures.  |
| 10.5. Incompatible materials       |   |
|                                    | Avoid contact with: Reducing agents.  |
| 10.6. Hazardous decomposition      | products  |
|                                    | Carbon oxides.  |
| SECTION 11: Toxicological i        | nformation  |
| 11.1. Information on toxicologica  | l effects   |
| Acute toxicity                     | Based on available data, the classification criteria are not met. However, this product does contain substance(s) that are classified as hazardous. For more information, see Section 3.  |
| Skin corrosion/irritation          | May cause irritation to skin.   |
| Serious eye damage/irritation      | May cause irritation to eyes.   |
| Respiratory or skin sensitisation  | May cause allergic reactions in susceptible people.   |
| Germ cell mutagenicity             | No mutagenic effects reported.  |
| Carcinogenicity                    | No components at >0,01% are listed in the American Conference of Governmental Industrial<br>Hygienists (ACGIH) Guide to Occupational Exposure Values.<br>No components at >0.01% are listed in the International Agency for Research on Cancer (IARC)<br>Monographs.<br>No components at >0,01% are listed in the National Toxicology Program (NTP) Report on<br>Carcinogens.<br>Not listed in the OSHA standard 1910.1003 Carcinogens. |
| Reproductive toxicity              | No teratogenic effects reported.  |
| STOT-single exposure               | May cause allergy or asthma symptoms or breathing difficulties if inhaled.  |
| STOT-repeated exposure             | No Significant Hazard.  |
| Aspiration hazard                  | No Significant Hazard.  |
| Repeated or prolonged exposure     | Avoid prolonged or repeated exposure. Delayed appearance of the complaints and development of hypersensitivity (difficult breathing, coughing, asthma) are possible.  |
| 11.1.2. Mixtures                   |   |
|                                    | See Section(s) 3 for further information.   |
| 11.1.3. Hazard Information         |   |
|                                    | See Section(s) 2 and 3 for further information.   |
| 11.1.4. Toxicological Information  |   |
|                                    | No data available   |
| 11.1.5. Hazard Class               |   |
|                                    | See Section(s) 2 and 14 for further information.  |
| 11.1.6. Classification Criteria    |   |
|                                    | Based on the Globally Harmonised System (GHS) considerations for the classification of mixtures. See Section 15 for regulatory citations.   |
| 11.1.7. Information on likely rout | es of exposure  |
|                                    | Eye contact. Skin contact. Ingestion. Inhalation.   |
| 11.1.8. Symptoms related to the    | physical, chemical and toxicological characteristics  |
|                                    | See Section(s) 4.2 for further information.   |
|                                    |   |

Revision 4

Revision date 2022-11-14

| 11.1.9. Delayed and immediate   | effects as well as chronic effects from short and long-term exposure  |
|---|---|
|   | See Section(s) 4.2 for further information.   |
| 11.1.10. Interactive effects  |   |
|   | No data available.  |
| 11.1.11. Absence of specific dat  | a   |
|   | <1% of this mixture consists of ingredients of unknown acute toxicity.  |
| 11.1.12. Mixture versus substan   | ce information  |
|   | See Section(s) 3 for further information.   |
| 11.1.13. Other information  |   |
|   | No data available.  |
| SECTION 12: Ecological info   | ormation  |
| 12.1. Toxicity  |   |
|   | No data available   |
| 12.2. Persistence and degradab  | ility   |
|   | No data is available on this product.   |
| 12.3. Bioaccumulative potential   |   |
|   |   |

|---|---|
|   | chemical-protective clothing.   |
| SECTION 6: Accidental relea             | ase measures  |
| 6.1. Personal precautions, prote        | ctive equipment and emergency procedures  |
|   | Use as appropriate: Protective equipment, Protective clothing. Ensure adequate ventilation of the working area. Avoid prolonged or repeated exposure.   |
| 6.2. Environmental precautions          |   |
|   | Prevent further spillage if safe. Clean spillage area thoroughly with plenty of water. Do not flush into surface water. Do not let product contaminate subsoil.   |
| 6.3. Methods and material for co        | ntainment and cleaning up   |
|   | Absorb spillage to prevent material damage. Clean spillage area thoroughly with plenty of water. Do not contaminate water by cleaning of equipment or disposal of wastes.   |
| 6.4. Reference to other sections        |   |
|   | See Section(s) 2, 8, and 13 for further information.  |
| SECTION 7: Handling and st              | torage  |
| 7.1. Precautions for safe handlin       | g   |
|   | Adopt best Manual Handling considerations when handling, carrying and dispensing. Avoid contact with eyes. Do not eat, drink or smoke in areas where this product is used or stored. Ensure adequate ventilation of the working area. Do not contaminate water by cleaning of equipment or disposal of wastes. Use as appropriate: Protective clothing. Read the entire label and follow all use directions, restrictions, and precautions. |
| 7.2. Conditions for safe storage,       | including any incompatibilities   |
|   | Store at temperatures between 2 °C and 30 °C.<br>Store in correctly labelled containers. Keep container tightly closed. Do not contaminate water,<br>food, or feed by storage or disposal. Follow label instructions.   |
| 7.3. Specific end use(s)                |   |
|   | See Section(s) 1.2 for further information.   |
| Further information                     |   |
|   | Refer to product label and/or package insert for additional information. Follow label instructions.   |
| SECTION 8: Exposure control             | ols/personal protection   |
| 8.1. Control parameters                 |   |
|   | No occupational exposure limits known.  |
| 8.2. Exposure controls                  |   |
|   |   |
| 8.2.1. Appropriate engineering controls | Ensure adequate ventilation of the working area.  |
| 8.2.2. Individual protection            | Use as appropriate: Protective equipment.   |

Revision 4

Revision date 2023-01-13

| 8.2. Exposure controls              |   |
|-------------------------------------|---|
| Eye / face protection               | Use as appropriate: Suitable eye protection.  |
| Skin protection -<br>Handprotection | Use as appropriate: Chemical-resistant gloves made of any waterproof material. Wash the outside of gloves before removing them.   |
| Skin protection - Other             | Use as appropriate: Protective clothing. Wash contaminated clothing, separately from other laundry, with detergent and water before reuse.  |
| Respiratory protection              | In case of insufficient ventilation, wear suitable respiratory equipment.   |
| Occupational exposure<br>controls   | Exposure above the recommended occupational exposure limit (OEL) may cause adverse health effects. Protect clothing from contact with the product. Provide chemical shower. Provide eye wash station. |
| Further information                 |   |

Remove and wash contaminated clothing before reuse.

### SECTION 9: Physical and chemical properties

#### 9.1. Information on basic physical and chemical properties

| Appearance                | Liquid            |
|---------------------------|-------------------|
| Colour                    | Light yellow      |
| Odour                     | Odourless/Slight  |
| Odour threshold           | No data available |
| рН                        | 7.4               |
| Melting point             | No data available |
| Freezing Point            | No data available |
| Initial boiling point     | No data available |
| Flash point               | No data available |
| Evaporation rate          | No data available |
| Flammability (solid, gas) | Not applicable.   |
| Vapour pressure           | No data available |
| Vapour density            | No data available |
| Relative density          | No data available |
| Partition coefficient     | No data available |
| Autoignition temperature  | No data available |
| Viscosity                 | No data available |
| Explosive properties      | Not applicable.   |
| Oxidising properties      | No data available |
| Solubility                | Soluble in water  |

### 9.2. Other information

| Conductivity          | No data available |
|-----------------------|-------------------|
| Surface tension       | No data available |
| Gas group             | Not applicable.   |
| Benzene Content       | No data available |
| Lead content          | No data available |
| VOC (Volatile organic | No data available |
| compounds)            |                   |

### SECTION 10: Stability and reactivity

### 10.1. Reactivity

Stable under normal conditions.

Revision 4

Revision date 2023-01-13

| 10.2. Chemical stability           |   |
|------------------------------------|---|
|                                    | Stable under normal conditions.   |
| 10.3. Possibility of hazardous rea | actions   |
|                                    | Under the specified conditions, hazardous reactions that lead to excessive temperatures or pressure are not expected.   |
| 10.4. Conditions to avoid          |   |
|                                    | Keep away from extreme temperatures.  |
| 10.5. Incompatible materials       |   |
|                                    | No data available.  |
| 10.6. Hazardous decomposition      | products  |
|                                    | Carbon oxides.  |
| SECTION 11: Toxicological i        | nformation  |
| 11.1. Information on toxicologica  | l effects   |
| Acute toxicity                     | Based on available data, the classification criteria are not met. However, this product does contain substance(s) that are classified as hazardous. For more information, see Section 3.  |
| Skin corrosion/irritation          | May cause irritation to skin.   |
| Serious eye damage/irritation      | May cause irritation to eyes.   |
| Respiratory or skin sensitisation  | May cause allergic reactions in susceptible people.   |
| Germ cell mutagenicity             | No mutagenic effects reported.  |
| Carcinogenicity                    | No components at >0,01% are listed in the American Conference of Governmental Industrial<br>Hygienists (ACGIH) Guide to Occupational Exposure Values.<br>No components at >0.01% are listed in the International Agency for Research on Cancer (IARC)<br>Monographs.<br>No components at >0,01% are listed in the National Toxicology Program (NTP) Report on<br>Carcinogens.<br>Not listed in the OSHA standard 1910.1003 Carcinogens. |
| Reproductive toxicity              | No teratogenic effects reported.  |
| STOT-single exposure               | May cause allergy or asthma symptoms or breathing difficulties if inhaled.  |
| STOT-repeated exposure             | No Significant Hazard.  |
| Aspiration hazard                  | No Significant Hazard.  |
| Repeated or prolonged exposure     | Avoid prolonged or repeated exposure. Delayed appearance of the complaints and development of hypersensitivity (difficult breathing, coughing, asthma) are possible.  |
| 11.1.2. Mixtures                   |   |
|                                    | See Section(s) 3 for further information.   |
| 11.1.3. Hazard Information         |   |
|                                    | See Section(s) 2 and 3 for further information.   |
| 11.1.4. Toxicological Information  |   |
|                                    | No data available   |
| 11.1.5. Hazard Class               |   |
|                                    | See Section(s) 2 and 14 for further information.  |
| 11.1.6. Classification Criteria    |   |
|                                    | Based on the Globally Harmonised System (GHS) considerations for the classification of mixtures.  |

Revision 4

| 11.1.6. Classification Criteria    |  |
|------------------------------------|--|
|                                    | See Section 15 for regulatory citations.   |
| 11.1.7. Information on likely rout | es of exposure   |
|                                    | Eye contact. Skin contact. Ingestion. Inhalation.  |
| 11.1.8. Symptoms related to the    | physical, chemical and toxicological characteristics   |
|                                    | See Section(s) 4.2 for further information.  |
| 11.1.9. Delayed and immediate      | effects as well as chronic effects from short and long-term exposure                         |
|                                    | See Section(s) 4.2 for further information.  |
| 11.1.10. Interactive effects       |  |
|                                    | No data available.   |
| 11.1.11. Absence of specific dat   | a  |
|                                    | <1% of this mixture consists of ingredients of unknown acute toxicity.                       |
| 11.1.12. Mixture versus substan    | ce information   |
|                                    | See Section(s) 3 for further information.  |
| 11.1.13. Other information         |  |
|                                    | No data available.   |
| SECTION 12: Ecological info        | ormation   |
| 12.1. Toxicity                     |  |
|                                    | No data available  |
| 12.2. Persistence and degradab     | 'ility   |
|                                    | No data is available on this product.  |
| 12.3. Bioaccumulative potential    | · · ·  |
|                                    |  |
|                                    | No data is available on this product.  |
| Partition coefficient              |  |
|                                    | Rapid Extraction Buffer, Type 9 No data available  |
|                                    |  |
| 12.4. Mobility in soil             |  |
|                                    | No data is available on this product.  |
| 12.5. Results of PBT and vPvB a    | assessment   |
|                                    | No data is available on this product.  |
| 12.6. Other adverse effects        |  |
|                                    | Specific test data for the mixture is not available.   |
| Further information                |  |
|                                    | Keep out of lakes, ponds, or streams. Do not let product contaminate subsoil.                |
| SECTION 13: Disposal cons          | iderations   |
| 13.1. Waste treatment methods      |  |
|                                    | Dispose of in compliance with all local and national regulations. Follow label instructions. |

Revision 4

Revision date 2023-01-13

| Disposal methods                                |  |
|---|--|
|   | Do not contaminate water by cleaning of equipment or disposal of wastes. Do not flush into surface water. Dispose of in compliance with all local and national regulations.  |
| Disposal of packaging                           |  |
|   | Nonrefillable container. Do not reuse or refill this container.<br>If empty: Do not reuse this container. Place in trash or offer for recycling, if available.<br>If partly filled: Call your local solid waste agency for disposal instructions. Never place unused<br>product down any indoor or outdoor drain.  |
| SECTION 14: Transport info                      | rmation  |
| 14.1. UN number                                 |  |
|   | The product is not classified as dangerous for carriage.   |
| 14.2. UN proper shipping name                   |  |
|   | The product is not classified as dangerous for carriage.   |
| 14.3. Transport hazard class(es)                |  |
|   | The product is not classified as dangerous for carriage.   |
| 14.4. Packing group                             |  |
|   | The product is not classified as dangerous for carriage.   |
| 14.5. Environmental hazards                     |  |
|   | The product is not classified as dangerous for carriage.   |
| 14.6. Special precautions for use               | er   |
|   | The product is not classified as dangerous for carriage.   |
| 14.7. Transport in bulk according               | g to Annex II of MARPOL 73/78 and the IBC Code   |
|   | The product is not classified as dangerous for carriage.   |
| SECTION 15: Regulatory info                     | ormation   |
| 15.1. Safety, health and environm               | nental regulations/legislation specific for the substance or mixture   |
| Regulations                                     | This document has been prepared in accordance with the requirements set out under the Hazardous Substances (Minimum Degrees of Hazard) Notice 2017, the Hazardous Substances (Safety Data Sheets) Notice 2017 and the Hazardous Substances (Labelling) Notice 2017.  |
| Chemical<br>Inventories/Right-to-Know<br>Lists: | <ul> <li>International</li> <li>Basel Convention (Hazardous Waste): Not applicable.</li> <li>Chemical Weapons Convention (OPCW): This product contains no hazardous substances at or above published reporting levels.</li> <li>Kyoto Protocol Greenhouse Gases: This product contains no hazardous substances at or above published reporting levels.</li> <li>Mercosur Agreement: Applicable.</li> <li>Montreal Protocol: This product contains no hazardous substances at or above published reporting levels.</li> <li>The Rotterdam Convention: This product contains no hazardous substances at or above published reporting levels.</li> <li>The Stockholm Convention: This product contains no hazardous substances at or above published reporting levels.</li> <li>Asia and the ASEAN Nations</li> <li>Catalog of Hazardous Chemicals (China): This product contains no hazardous substances at or above substances at or above published reporting levels.</li> </ul> |

Revision date 2023-01-13

| 15.1. Safety, health and environ | mental regulations/legislation specific for the substance or mixture   |
|----------------------------------|--|
|                                  | Regulation of Minister of Trade of the Republic of Indonesia, Number 75, Year 2014, regarding The Second Amendment of Minister of Trade, Number 44, Year 2009, Regarding Provision,  |
|                                  | Distribution, and Control of Hazardous Substances: This product contains no hazardous  |

|                                  | (Malaysia): This product contains no hazardous substances at or above published reporting levels.  |
|                                  | Philippine Inventory of Chemicals and Chemical Substances (PICCS): Toxic Substances and Hazardous and Nuclear Wastes Control Act (RA6969):, All ingredients listed or exempt., No restrictions.  |
|                                  | Taiwan Toxic and Concerned Chemical Substances Control Act (TCCSCA): This product contains no hazardous substances at or above published reporting levels.   |
|                                  | Hazardous Substances Act (Thailand): This product contains no hazardous substances at or above published reporting levels.   |
|                                  | Law on Chemicals (Vietnam): This product contains no hazardous substances at or above  |
|                                  | published reporting levels.  |
|                                  | Australia and New Zealand  |
|                                  | Australian Dangerous Goods Code: Not applicable.   |
|                                  | Australian Inventory of Chemical Substances (AICS): All ingredients listed or exempt., No restrictions.  |
|                                  | New Zealand Inventory of Chemicals (NZIoC): All ingredients listed or exempt., No restrictions.  |
|                                  | European Union (EU) and the United Kingdom (UK)  |
|                                  | Authorisation List (Annex XIV of REACH): This product contains no hazardous substances at or above published reporting levels.   |
|                                  | Annex XVII for REACH: This product contains no hazardous substances at or above published  |
|                                  | reporting levels, No restrictions.   |
|                                  | Article 95 of the Biocidal Products Regulation (BPR): Not applicable.  |
|                                  | 4-(1,1,3,3-tetramethylbutyl)phenol, ethoxylated [covering well-defined substances and UVCB   |
|                                  | substances, polymers, and homologues] is on the List of substances subject to authorisation (Annex XIV) of Regulation (EC) No. 1907/2006 (REACH). Entry 42. Sunste Date: 04-Jan-2021. Entry 42.  |
|                                  | Sunset date: 04-January-2021   |

#### Revision 4

Revision date 2023-01-13

| 15.1. Safety, health and environ | mental regulations/legislation specific for the substance or mixture  |
|----------------------------------|---|
|                                  | After the sunset date the use of this substance requires either an authorization or can only be used for exempted uses, e.g., use in scientific research and development, which includes routine analytics or use as an intermediate.   |
|                                  | North America<br>Domestic/Non-Domestic Substances Lists (DSL/NDSL): All ingredients listed or exempt., No<br>restrictions.<br>Toxic Substances Control Act (TSCA): All ingredients listed or exempt.<br>Massachusetts Right-to-Know Hazardous Substance List: This product contains no hazardous<br>substances at or above published reporting levels.<br>New Jersey Worker and Community Right to Know Act: This product contains no hazardous<br>substances at or above published reporting levels.<br>Pennsylvania Right to Know Law: This product contains no hazardous substances at or above<br>published reporting levels.<br>Rhode Island Right-to-Know General Law: This product contains no hazardous substances at or<br>above published reporting levels. |
|                                  | California Proposition 65: This product does not contain reportable substances at >0,0001% concentration.   |

### SECTION 16: Other information

### Other information

| Revision | This document differs from the previous version in the following areas:.                      |
|----------|---|
|          | 1 - Manufactured By:.   |
|          | 3 - Description.  |
|          | 7 - 7.2. Conditions for safe storage, including any incompatibilities.                        |
|          | 9 - 9.2. Other information (Conductivity).  |
|          | 9 - 9.2. Other information (Gas group).   |
|          | 9 - 9.2. Other information (Surface tension).   |
|          | 9 - 9.2. Other information (Benzene Content).   |
|          | 9 - 9.2. Other information (Product Subcategory).   |
|          | 9 - 9.2. Other information (Lead content).  |
|          | 11 - Acute toxicity.  |
|          | 15 - Chemical Inventories/Right-to-Know Lists:  |
|          | 16 - Maximum content of VOC.  |
| Acronyms | ADR/RID: European Agreements Concerning the International Carriage of Dangerous Goods by      |
| •        | Rail (RID) and by Road (ADR).   |
|          | CAS No.: Chemical Abstracts Service.  |
|          | CLASS: Classification, Labelling, and Safety Data Sheet of Hazardous Chemicals Regulation 201 |
|          | (Malaysia).   |
|          | FIFRA: U.S. Federal Insecticide, Fungicide, and Rodenticide Act.                              |
|          | GHS: Globally Harmonized System.  |
|          | HCS 2012: U.S. Hazard Communication Standard (2012 revision).                                 |
|          | IATA: International Air Transport Association.  |
|          | ICAO: International Civil Aviation Organisation.  |
|          | IMDG: International Maritime Dangerous Goods.   |
|          | LD: Lethal dose.  |
|          | OEL: Occupational exposure limit.   |
|          | OSHA: U.S. Occupational Safety and Health Administration.                                     |
|          | PEL: Permissible Exposure Limit.  |
|          | REACH: Registration, Evaluation, Authorisation, and Restriction of Chemicals.                 |
|          | STOT: Specific Target Organ Toxicity.   |
|          |   |
