

Kit SDS Cover Sheet

Product Name:

Item No(s):

This is a test kit that is comprised of several individual components, listed below, each of which may have its own Safety Data Sheet (SDS). If a component does not have a Safety Data Sheet included, the item is an article which does not contain any substances of very high concern included on the Candidate List for inclusion in Annex XIV of the Regulation (EC) No 2020/878 of the European Parliament and of the Council concerning Registration, Evaluation, Authorisation, and Restriction of Chemicals (REACH), Article 33, and does not require a Safety Data Sheet.

Kit Components:

For product information, please contact your Neogen Corporation Representative. For further information regarding this SDS, please contact <u>SDS@neogen.com</u>.

## SAFETY DATA SHEET

according to Regulation (EU) 2020/878

Page 1/10

## Rapid Extraction Buffer, Type 11

Revision 1 Revision date 2023-04-10

SECTION 1: Identification of the substance/mixture and of the company/undertaking 1.1. Product identifier Product name Rapid Extraction Buffer, Type 11 Product code 512000U 1.2. Relevant identified uses of the substance or mixture and uses advised against **Product Use** [SU3] Industrial uses: Uses of substances as such or in preparations at industrial sites; [PC21] Laboratory chemicals; Description Intended for laboratory use only. Do not use components from one kit with any other kit. 1.3. Details of the supplier of the safety data sheet **Neogen Corporation** Company Address 620 Lesher Place Lansing MI 48912 USA Web www.neogen.com Telephone 517-372-9200/800-234-5333 Email SDS@neogen.com 1.4. Emergency telephone number 24 hours: Medical: 1-651-523-0318 (international) Spill/CHEMTREC: 1-703-527-3887 (international) **SECTION 2: Hazards identification** 2.1. Classification of the substance or mixture 2.1.2. Classification - EC Based on available data, this product is not classified as hazardous.

## 1272/2008 2.3. Other hazards Other hazards Contains material(s) which may be harmful if swallowed. SECTION 3: Composition/information on ingredients

3.2. Mixtures

Revision 1

#### 3.2. Mixtures

| Chemical Name                            | Index No.    | CAS No.    | EC No.    | REACH No. | Conc.<br>(%w/w) | Classification  |
|--|--------------|------------|-----------|-----------|-----------------|---|
| Sodium azide (Sodium azide (as<br>NaN3)) | 011-004-00-7 | 26628-22-8 | 247-852-1 |           | 0 - 0.5%        | Acute Tox. 2: H300; Aquatic<br>Acute 1: H400; Aquatic<br>Chronic 1: H410; |
| Description                              |              |            |           |           |                 |   |

#### Particle Characteristics

|                     | Not applicable.  |  |
|---------------------|--|--|
| Further information |  |  |
|                     | Full text of Hazard Statements listed in this Section is provided in Section 16. |  |

#### SECTION 4: First aid measures

#### 4.1. Description of first aid measures

| Inhalation   | Move the exposed person to fresh air. If breathing is difficult give oxygen. If breathing stops, provide artificial respiration. Seek medical attention if irritation or symptoms persist.                          |
|--------------|---|
| Eye contact  | Rinse immediately with plenty of water. Contact lenses should be removed. Seek medical attention if irritation or symptoms persist.   |
| Skin contact | Remove contaminated clothing. Wash with soap and water. Seek medical attention if irritation or symptoms persist.   |
| Ingestion    | Do not induce vomiting unless told to do so by the poison control center or doctor. Rinse mouth thoroughly. Never give anything by mouth to an unconscious person. Get medical advice/attention if you feel unwell. |

#### 4.2. Most important symptoms and effects, both acute and delayed

| Inhalation   | May cause irritation to respiratory system. |  |
|--------------|---|--|
| Eye contact  | May cause irritation to eyes.               |  |
| Skin contact | May cause irritation to skin.               |  |
| Ingestion    | Ingestion may cause nausea and vomiting.    |  |
|              |   |  |

#### 4.3. Indication of any immediate medical attention and special treatment needed

Remove the affected person from the source of contamination immediately. Transfer to hospital if there are burns or symptoms of poisoning. Seek medical attention if irritation or symptoms persist. If medical advice is needed, have product container or label at hand

#### SECTION 5: Firefighting measures

#### 5.1. Extinguishing media

Copyright © 2023 ChemSoft. All rights reserved.

|  | Use extinguishing media appropriate to the surrounding fire conditions.  |  |
|--|--|--|
| 5.2. Special hazards arising from the substance or mixture |  |  |
|  | Product does not support combustion. Do not allow undiluted product to be released to ground water, water course or sewage system. |  |
| 5.3. Advice for firefighters                               |  |  |
|  | Do not breathe vapour or spray mist. Wear self-contained breathing apparatus and chemical-protective clothing.                     |  |

## Rapid Extraction Buffer, Type 11

Revision 1

| SECTION 6: Accidental release measures                                   |   |  |  |
|--|---|--|--|
| 6.1. Personal precautions, protective equipment and emergency procedures |   |  |  |
|  | Use as appropriate: Protective equipment, Protective clothing. Ensure adequate ventilation of the working area. Avoid prolonged or repeated exposure.   |  |  |
| 6.2. Environmental precautions   |   |  |  |
|  | Prevent further spillage if safe. Clean spillage area thoroughly with plenty of water. Do not flush into surface water. Do not let product contaminate subsoil.   |  |  |
| 6.3. Methods and material for co   | ntainment and cleaning up   |  |  |
|  | Absorb spillage to prevent material damage. Clean spillage area thoroughly with plenty of water. Do not contaminate water by cleaning of equipment or disposal of wastes.   |  |  |
| 6.4. Reference to other sections   |   |  |  |
|  | See Section(s) 2, 8, and 13 for further information.  |  |  |
| SECTION 7: Handling and st   | orage   |  |  |
| 7.1. Precautions for safe handlin  | g   |  |  |
|  | Adopt best Manual Handling considerations when handling, carrying and dispensing. Avoid contact with eyes. Do not eat, drink or smoke in areas where this product is used or stored. Ensure adequate ventilation of the working area. Do not contaminate water by cleaning of equipment or disposal of wastes. Use as appropriate: Protective clothing. Read the entire label and follow all use directions, restrictions, and precautions. |  |  |
| 7.2. Conditions for safe storage,  | including any incompatibilities   |  |  |
|  | Store at temperatures between 2 °C and 8 °C. Follow label instructions.<br>Store in correctly labelled containers. Keep container tightly closed. Do not contaminate water, food, or feed by storage or disposal.   |  |  |
| 7.3. Specific end use(s)   |   |  |  |
|  | See Section(s) 1.2 for further information.   |  |  |
| Further information  |   |  |  |
|  | Refer to product label and/or package insert for additional information. Follow label instructions.   |  |  |
| SECTION 8: Exposure controls/personal protection                         |   |  |  |
| 8.1. Control parameters  |   |  |  |
|  | No occupational exposure limits known.  |  |  |
| 8.2. Exposure controls   |   |  |  |
|  |   |  |  |
| 8.2.1. Appropriate engineering controls                                  | Ensure adequate ventilation of the working area.  |  |  |
| 8.2.2. Individual protection measures                                    | Use as appropriate: Protective equipment.   |  |  |
| Eye / face protection  | Use as appropriate: Suitable eye protection.  |  |  |
| Skin protection -<br>Handprotection                                      | Use as appropriate: Chemical-resistant gloves made of any waterproof material. Wash the outside of gloves before removing them.   |  |  |

Revision 1

Revision date 2023-04-10

| 8.2. Exposure controls            |   |
|-----------------------------------|---|
| Skin protection - Other           | Use as appropriate: Protective clothing. Wash contaminated clothing, separately from other laundry, with detergent and water before reuse.  |
| Respiratory protection            | In case of insufficient ventilation, wear suitable respiratory equipment.   |
| Occupational exposure<br>controls | Exposure above the recommended occupational exposure limit (OEL) may cause adverse health effects. Protect clothing from contact with the product. Provide chemical shower. Provide eye wash station. |

**Further information** 

Remove and wash contaminated clothing before reuse.

#### SECTION 9: Physical and chemical properties

#### 9.1. Information on basic physical and chemical properties

| Appearance                 | Aqueous solution  |
|----------------------------|-------------------|
|                            | Lear/Colourless   |
|                            | Odourless         |
| Odour threshold            | No data available |
| pH                         | No data available |
| Vapour pressure            | No data available |
| Relative Vapour Density    | No data available |
| Density / Relative Density | No data available |
| Partition coefficient (P)  | No data available |
| Flash point                | No data available |
| Evaporation rate           | No data available |
| Viscosity                  | No data available |
| Oxidising properties       | No data available |
| Melting point              | ≈ 0 °C            |
| Freezing Point             | ≈ 0 °C            |
| Initial boiling point      | ≈ 100 °C          |
| Autoignition temperature   | Not applicable.   |
| Explosive properties       | Not applicable.   |
| Flammability (solid, gas)  | Not applicable.   |
| Solubility                 | Soluble in water  |

#### 9.2. Other information

| Conductivity                         | No data available |
|--------------------------------------|-------------------|
| Surface tension                      | No data available |
| Gas group                            | No data available |
| Benzene Content                      | No data available |
| Lead content                         | No data available |
| VOC (Volatile organic                |                   |
| compounds)                           |                   |
| SECTION 10: Stability and reactivity |                   |

#### 10.1. Reactivity

|                          | Stable under normal conditions. |
|--------------------------|---------------------------------|
|                          |                                 |
| 10.2. Chemical stability |                                 |
|                          |                                 |

Stable under normal conditions.

Revision 1

| 10.3. Possibility of hazardous reactions |   |  |
|--|---|--|
|  | Under the specified conditions, hazardous reactions that lead to excessive temperatures or pressure are not expected.   |  |
| 10.4. Conditions to avoid                |   |  |
|  | Keep away from extreme temperatures.  |  |
| 10.5. Incompatible materials             | ·   |  |
|  | No data available.  |  |
| 10.6. Hazardous decomposition            | products  |  |
|  | Carbon oxides.  |  |
| SECTION 11: Toxicological                | information   |  |
| 11.1 Information on hazard class         |   |  |
| Acute toxicity                           | Based on available data, the classification criteria are not met. However, this product does contain substance(s) that are classified as hazardous. For more information, see Section 3.  |  |
| Skin corrosion/irritation                | May cause irritation to skin.   |  |
| Serious eye damage/irritation            | May cause irritation to eyes.   |  |
| Respiratory or skin<br>sensitisation     | May cause allergic reactions in susceptible people.   |  |
| Germ cell mutagenicity                   | No mutagenic effects reported.  |  |
| Carcinogenicity                          | No components at >0,01% are listed in the American Conference of Governmental Industrial<br>Hygienists (ACGIH) Guide to Occupational Exposure Values.<br>No components at >0.01% are listed in the International Agency for Research on Cancer (IARC)<br>Monographs.<br>No components at >0,01% are listed in the National Toxicology Program (NTP) Report on<br>Carcinogens.<br>Not listed in the OSHA standard 1910.1003 Carcinogens. |  |
| Reproductive toxicity                    | No teratogenic effects reported.  |  |
| STOT-single exposure                     | May cause allergy or asthma symptoms or breathing difficulties if inhaled.  |  |
| STOT-repeated exposure                   | No Significant Hazard.  |  |
| Aspiration hazard                        | No Significant Hazard.  |  |
| Repeated or prolonged exposure           | Avoid prolonged or repeated exposure. Delayed appearance of the complaints and development of hypersensitivity (difficult breathing, coughing, asthma) are possible.  |  |
| 11.1.2. Mixtures                         |   |  |
|  | See Section(s) 3 for further information.   |  |
| 11.1.3. Hazard Information               |   |  |
|  | See Section(s) 2 and 3 for further information.   |  |
| 11.1.4. Toxicological Information        | 1   |  |
|  | No data available   |  |
| 11.1.5. Hazard Class                     |   |  |
|  | See Section(s) 2 and 14 for further information.  |  |
| 11.1.6. Classification Criteria          |   |  |
|  | Based on the Globally Harmonised System (GHS) considerations for the classification of mixtures.<br>See Section 15 for regulatory citations.  |  |
| 11.1.7. Information on likely rout       | es of exposure  |  |

Revision 1

| 11.1.7. Information on likely routes of exposure |  |  |  |
|--|--|--|--|
|  | Eye contact. Skin contact. Ingestion. Inhalation.  |  |  |
| 11.1.8. Symptoms related to the                  | physical, chemical and toxicological characteristics   |  |  |
|  | See Section(s) 4.2 for further information.  |  |  |
| 11.1.9. Delayed and immediate                    | effects as well as chronic effects from short and long-term exposure                               |  |  |
|  | See Section(s) 4.2 for further information.  |  |  |
| 11.1.10. Interactive effects                     |  |  |  |
|  | No data available.   |  |  |
| 11.1.11. Absence of specific dat                 | a  |  |  |
|  | <1% of this mixture consists of ingredients of unknown acute toxicity.                             |  |  |
| 11.1.12. Mixture versus substan                  | ce information   |  |  |
|  | See Section(s) 3 for further information.  |  |  |
| 11.1.13. Other information                       |  |  |  |
|  | No data available.   |  |  |
| Further information                              |  |  |  |
|  | No data available.   |  |  |
| SECTION 12: Ecological info                      | ormation   |  |  |
| 12.1. Toxicity                                   |  |  |  |
|  | No data available  |  |  |
| 12.2. Persistence and degradab                   | ·<br>·llity  |  |  |
|  | No data is available on this product.  |  |  |
| 12.3. Bioaccumulative potential                  |  |  |  |
|  | No data is available on this product.  |  |  |
| 12.4. Mobility in soil                           | ·  |  |  |
|  | No data is available on this product.  |  |  |
| 12.5. Results of PBT and vPvB                    | assessment   |  |  |
|  | No data is available on this product.  |  |  |
| 12.6 Endocrine disrupting prope                  | rties  |  |  |
|  | No data is available on this product.  |  |  |
| 12.7 Other adverse effects                       |  |  |  |
|  | Specific test data for the mixture is not available.   |  |  |
| Further information                              |  |  |  |
|  | Keep out of lakes, ponds, or streams. Do not let product contaminate subsoil.                      |  |  |
| SECTION 13: Disposal cons                        | iderations   |  |  |
| 13.1. Waste treatment methods                    |  |  |  |
|  | Dispose of in compliance with all local and national regulations. Follow label instructions.       |  |  |
| Disposal methods                                 |  |  |  |
|  | Do not contaminate water by cleaning of equipment or disposal of wastes. Do not flush into surface |  |  |

Revision 1

## SAFETY DATA SHEET

according to Regulation (EU) 2020/878

Page 1/10

## **Swab Wetting Solution**

Revision 5

| SECTION 1: Identification of the substance/mixture and of the company/undertaking |   |  |
|---|---|--|
| 1.1. Product identifier   |   |  |
| Product name  | Swab Wetting Solution   |  |
| Product code  | 24368   |  |
| 1.2. Relevant identified uses of t  | he substance or mixture and uses advised against  |  |
| Product Use   | [SU3] Industrial uses: Uses of substances as such or in preparations at industrial sites; [PC21]  |  |
|   | Laboratory chemicals;   |  |
| Description   | Intended for use in routine analytics, including quality control and monitoring. Do not use components from one kit with any other kit. |  |
| 1.3. Details of the supplier of the   | e safety data sheet   |  |
| Company   | Neogen Corporation  |  |
| Address   | 620 Lesher Place  |  |
|   | Lansing MI 48912  |  |
|   | USA   |  |
| Web   | www.neogen.com  |  |
| Telephone   | 517-372-9200/800-234-5333   |  |
| Email   | SDS@neogen.com  |  |
| 1.4. Emergency telephone numb   | ber   |  |
|   | 24 hours:   |  |
|   | Medical: 1-651-523-0318 (international)   |  |
|   | Spill/CHEMTREC: 1-703-527-3887 (international)  |  |
| SECTION 2: Hazards identif  | cation  |  |
| 2.1. Classification of the substar  | ice or mixture  |  |
| 2.1.2. Classification - EC<br>1272/2008   | Based on available data, this product is not classified as hazardous.   |  |
| 2.3. Other hazards  |   |  |
| Other hazards   | Contains material(s) which may be harmful if swallowed.   |  |
| SECTION 3: Composition/inf  | formation on ingredients  |  |
| 3.2. Mixtures   |   |  |
|   |   |  |

## Revision 5

| 3.2. Mixtures                          |             |                               |              |   |                 |   |

| Eye contact                            | May ca      | use irritation                | to eyes.     |   |                 |   |
| Skin contact                           |             | use irritation                |              |   |                 |   |
| Ingestion                              | Ingestio    | on may cause                  | e nausea an  | d vomiting.                               |                 |   |
| 4.3. Indication of any immediat        | te medical  | attention and                 | special trea | atment needed                             |                 |   |
|  | there a     | re burns or s                 | mptoms of    |   | medical atte    | n immediately. Transfer to hospital if<br>ntion if irritation or symptoms persist.<br>t hand. |
| SECTION 5: Firefighting m              | easures     |                               |              |   |                 |   |
| 5.1. Extinguishing media               |             |                               |              |   |                 |   |
|  | Use ex      | tinguishing m                 | edia approp  | priate to the surro                       | ounding fire c  | onditions.  |
| 5.2. Special hazards arising from      | om the sub  | stance or mix                 | ture         |   |                 |   |
|  |             |                               |              |   | -               | stance(s) at <0.1%. Do not allow<br>se or sewage system.                                      |
| 5.3. Advice for firefighters           |             |                               |              |   |                 |   |
|  |             | breathe vapo<br>al-protective |              | mist. Wear self-c                         | contained bre   | athing apparatus and  |
| SECTION 6: Accidental release measures |             |                               |              |   |                 |   |
| 6.1. Personal precautions, pro         | tective equ | ipment and e                  | mergency p   | procedures                                |                 |   |

| 6.4. Demonal processitions, prote       |   |
|---|---|
| o. 1. Personal precautions, prote       | ctive equipment and emergency procedures  |
|   | Use as appropriate: Protective equipment, Protective clothing. Ensure adequate ventilation of the working area. Avoid prolonged or repeated exposure.   |
| 6.2. Environmental precautions          |   |
|   | Prevent further spillage if safe. Clean spillage area thoroughly with plenty of water. Do not flush into surface water. Do not let product contaminate subsoil.   |
| 6.3. Methods and material for co        | ntainment and cleaning up   |
|   | Absorb spillage to prevent material damage. Clean spillage area thoroughly with plenty of water.<br>Do not contaminate water by cleaning of equipment or disposal of wastes.  |
| 6.4. Reference to other sections        |   |
|   | See Section(s) 2, 8, and 13 for further information.  |
| SECTION 7: Handling and s               | torage  |
| 7.1. Precautions for safe handlin       |   |
|   | Adopt best Manual Handling considerations when handling, carrying and dispensing. Avoid contact with eyes. Do not eat, drink or smoke in areas where this product is used or stored. Ensure adequate ventilation of the working area. Do not contaminate water by cleaning of equipment or disposal of wastes. Use as appropriate: Protective clothing. Read the entire label and follow all use directions, restrictions, and precautions. |
| 7.2. Conditions for safe storage,       | including any incompatibilities   |
|   | Store at temperatures between 2 °C and 30 °C. Follow label instructions.<br>Store in correctly labelled containers. Keep container tightly closed. Do not contaminate water, food, or feed by storage or disposal.  |
| 7.3. Specific end use(s)                |   |
|   | See Section(s) 1.2 for further information.   |
| Further information                     | <u>.</u>  |
|   | Refer to product label and/or package insert for additional information. Follow label instructions.   |
| SECTION 8: Exposure contr               | ols/personal protection   |
| 8.1. Control parameters                 |   |
|   | No occupational exposure limits known.  |
| 8.2. Exposure controls                  |   |
|   |   |
| 8.2.1. Appropriate engineering controls | Ensure adequate ventilation of the working area.  |
| 8.2.2. Individual protection measures   | Use as appropriate: Protective equipment.   |
| Eye / face protection                   | Use as appropriate: Suitable eye protection.  |
| Skin protection -<br>Handprotection     | Use as appropriate: Chemical-resistant gloves made of any waterproof material. Wash the outside of gloves before removing them.   |
| Skin protection - Other                 | Use as appropriate: Protective clothing. Wash contaminated clothing, separately from other laundry, with detergent and water before reuse.  |

Revision 5

Revision date 2023-03-10

| 8.2. Exposure controls            |   |  |
|-----------------------------------|---|--|
| Respiratory protection            | In case of insufficient ventilation, wear suitable respiratory equipment.   |  |
| Occupational exposure<br>controls | Exposure above the recommended occupational exposure limit (OEL) may cause adverse health effects. Protect clothing from contact with the product. Provide chemical shower. Provide eye wash station. |  |

**Further information** 

Remove and wash contaminated clothing before reuse.

#### **SECTION 9: Physical and chemical properties**

#### 9.1. Information on basic physical and chemical properties

| Appearance                 | Liquid            |
|----------------------------|-------------------|
| Colour                     | Clear             |
| Odour                      | Odourless/Slight  |
| Odour threshold            | No data available |
| pH                         | No data available |
| Melting point              | No data available |
| Freezing Point             | No data available |
| Initial boiling point      | No data available |
| Flash point                | No data available |
| Evaporation rate           | No data available |
| Flammability (solid, gas)  | Not applicable.   |
| Vapour pressure            | No data available |
| Relative Vapour Density    | No data available |
| Density / Relative Density | No data available |
| Partition coefficient (P)  | No data available |
| Autoignition temperature   | No data available |
| Viscosity                  | No data available |
| Explosive properties       | Not applicable.   |
| Oxidising properties       | No data available |
| Solubility                 | Soluble in water  |

#### 9.2. Other information

| Conductivity          | No data available |
|-----------------------|-------------------|
| Surface tension       | No data available |
| Gas group             | No data available |
| Benzene Content       | No data available |
| Lead content          | No data available |
| VOC (Volatile organic | No data available |
| compounds)            |                   |

#### SECTION 10: Stability and reactivity

10.1. Reactivity

Stable under normal conditions.

#### 10.2. Chemical stability

Stable under normal conditions.

#### 10.3. Possibility of hazardous reactions

Under the specified conditions, hazardous reactions that lead to excessive temperatures or

Revision 5

|---|---|--|--|
|   | pressure are not expected.  |  |  |
| 10.4. Conditions to avoid                     |   |  |  |
|   | Keep away from extreme temperatures.  |  |  |
| 10.5. Incompatible materials                  | ·   |  |  |
|   | No data available.  |  |  |
| 10.6. Hazardous decomposition                 | products  |  |  |
|   | Carbon oxides.  |  |  |
| SECTION 11: Toxicological                     | information   |  |  |
| 11.1 Information on hazard class              |   |  |  |
| Acute toxicity                                | Based on available data, the classification criteria are not met. However, this product does contain substance(s) that are classified as hazardous. For more information, see Section 3.  |  |  |
| Skin corrosion/irritation                     | May cause irritation to skin.   |  |  |
| Serious eye damage/irritation                 | May cause irritation to eyes.   |  |  |
| Respiratory or skin sensitisation             | May cause allergic reactions in susceptible people.   |  |  |
| Germ cell mutagenicity                        | No mutagenic effects reported.  |  |  |
| Carcinogenicity                               | No components at >0,01% are listed in the American Conference of Governmental Industrial<br>Hygienists (ACGIH) Guide to Occupational Exposure Values.<br>No components at >0.01% are listed in the International Agency for Research on Cancer (IARC)<br>Monographs.<br>No components at >0,01% are listed in the National Toxicology Program (NTP) Report on<br>Carcinogens. |  |  |
| Perroductive toxicity                         | Not listed in the OSHA standard 1910.1003 Carcinogens.  |  |  |
| Reproductive toxicity<br>STOT-single exposure | No teratogenic effects reported.<br>May cause allergy or asthma symptoms or breathing difficulties if inhaled.  |  |  |
| STOT-repeated exposure                        | No Significant Hazard.  |  |  |
| Aspiration hazard                             | No Significant Hazard.  |  |  |
| Repeated or prolonged<br>exposure             | Avoid prolonged or repeated exposure. Delayed appearance of the complaints and development of hypersensitivity (difficult breathing, coughing, asthma) are possible.  |  |  |
| 11.1.2. Mixtures                              | ·   |  |  |
|   | See Section(s) 3 for further information.   |  |  |
| 11.1.3. Hazard Information                    |   |  |  |
|   | See Section(s) 2 and 3 for further information.   |  |  |
| 11.1.4. Toxicological Information             | ו   |  |  |
|   | No data available   |  |  |
| 11.1.5. Hazard Class                          |   |  |  |
|   | See Section(s) 2 and 14 for further information.  |  |  |
| 11.1.6. Classification Criteria               |   |  |  |
|   | Based on the Globally Harmonised System (GHS) considerations for the classification of mixtures.<br>See Section 15 for regulatory citations.  |  |  |
| 11.1.7. Information on likely rout            | es of exposure  |  |  |
|   | Eye contact. Skin contact. Ingestion. Inhalation.   |  |  |

| 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics |  |  |
|--|--|--|
|  | See Section(s) 4.2 for further information.  |  |
| 11.1.9. Delayed and immediate e  | effects as well as chronic effects from short and long-term exposure   |  |
|  | See Section(s) 4.2 for further information.  |  |
| 11.1.10. Interactive effects   |  |  |
|  | No data available.   |  |
| 11.1.11. Absence of specific data  | a  |  |
|  | <1% of this mixture consists of ingredients of unknown acute toxicity.   |  |
| 11.1.12. Mixture versus substand   | ce information   |  |
|  | See Section(s) 3 for further information.  |  |
| 11.1.13. Other information   |  |  |
|  | No data available.   |  |
| SECTION 12: Ecological info  | rmation  |  |
| 12.1. Toxicity   |  |  |
|  | No data available  |  |
| 12.2. Persistence and degradabi  | lity   |  |
|  | No data is available on this product.  |  |
| 12.3. Bioaccumulative potential  |  |  |
|  | No data is available on this product.  |  |
| 12.4. Mobility in soil   |  |  |
|  | No data is available on this product.  |  |
| 12.5. Results of PBT and vPvB a  | assessment   |  |
|  | No data is available on this product.  |  |
| 12.6 Endocrine disrupting proper   | rties  |  |
|  | No data is available on this product.  |  |
| 12.7 Other adverse effects   |  |  |
|  | Specific test data for the mixture is not available.   |  |
| Further information  |  |  |
|  | Keep out of lakes, ponds, or streams. Do not let product contaminate subsoil.  |  |
| SECTION 13: Disposal consi   | iderations   |  |
| 13.1. Waste treatment methods  |  |  |
|  | Dispose of in compliance with all local and national regulations. Follow label instructions.   |  |
| Disposal methods   |  |  |
|  | Do not contaminate water by cleaning of equipment or disposal of wastes. Do not flush into surface water. Dispose of in compliance with all local and national regulations.  |  |
| Disposal of packaging  |  |  |
|  | Nonrefillable container. Do not reuse or refill this container.<br>If empty: Do not reuse this container. Place in trash or offer for recycling, if available.<br>If partly filled: Call your local solid waste agency for disposal instructions. Never place unused |  |

| Disposal of packaging  |   |  |
|--|---|--|
|  | product down any indoor or outdoor drain.   |  |
| SECTION 14: Transport info                                   | rmation   |  |
| 14.1. UN number  |   |  |
|  | The product is not classified as dangerous for carriage.  |  |
| 14.2. UN proper shipping name                                |   |  |
|  | The product is not classified as dangerous for carriage.  |  |
| 14.3. Transport hazard class(es)                             |   |  |
|  | The product is not classified as dangerous for carriage.  |  |
| 14.4. Packing group  |   |  |
|  | The product is not classified as dangerous for carriage.  |  |
| 14.5. Environmental hazards                                  |   |  |
|  | The product is not classified as dangerous for carriage.  |  |
| 14.6. Special precautions for use                            | er  |  |
|  | The product is not classified as dangerous for carriage.  |  |
| 14.7 Maritime Transport in bulk according to IMO instruments |   |  |
|  | The product is not classified as dangerous for carriage.  |  |
| SECTION 15: Regulatory inf                                   | ormation  |  |
| 15.1. Safety, health and environ                             | mental regulations/legislation specific for the substance or mixture  |  |
| Regulations  | COMMISSION REGULATION (EU) 2020/878 of 18 June 2020 amending Annex II to Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).  |  |
